## LOVE IT EVEN LONGER

Congratulations are in order. You're getting into your dream car for a lot less than you ever thought possible. Now we think you both deserve the best chance for a longer, happier future together.

## PROTECT YOUR RELATIONSHIP DOWN THE ROAD

Owning the vehicle of your dreams should be a pleasant experience — for as long as you have that vehicle. But those who've driven a Jaguar tend to fall in love and commit for the long run. That's where the Jaguar Approved Certified Pre-Owned Extension Plan comes in.

### Long-term ownership with less drama.

Now that you have wisely selected a premium-brand vehicle at unmistakable savings and value, you can opt for a longer worry-free ownership experience with more peace of mind.

Approved Certified Pre-Owned Extension Plan customers can take advantage of the same quality product, professional sales experience and reliable service as a new Jaguar owner. Plus, they can opt-in for protection beyond the Program's factory-backed Approved Certified Pre-Owned coverage.

# APPROVED CERTIFIED PRE-OWNED EXTENSION PLAN

What makes a Jaguar eligible to be Approved Certified Pre-Owned?

It must have been previously retailed or titled.

It must be less than five years old (from the original retail sale).

It must have less than 60,000 miles on the odometer.

It must undergo a rigorous 165-point inspection.

## PEACE OF MIND BEYOND THE 165-POINT CHECKLIST

The Jaguar Approved Certified Pre-Owned Extension Plan is designed to provide extended protection beyond the components and systems covered in your vehicle's rigorous 165-point eligibility checklist. SEE YOUR SERVICE AGREEMENT FOR COMPLETE DETAILS, INCLUDING LIMITATIONS AND EXCLUSIONS.
